## 1. Understanding Qatar Airlines' Cancellation Policy

Before you cancel, it's important to know what the airline allows. Qatar Airlines has different rules depending on the type of ticket you purchased.

- 24-Hour Risk-Free Cancellation:
  - If you book directly on the Qatar Airlines website or mobile app, you can cancel within 24 hours and receive a full refund.
  - This applies as long as you booked at least 2 days before your scheduled departure.
- Basic Economy Tickets:
  - Non-refundable, but if canceled within 24 hours of purchase, you still qualify for a full refund.
- Refundable Tickets:
  - Can be canceled anytime before departure for a full refund.
- Non-Refundable Tickets:
  - These can be canceled, but you won't get cash back. Instead, you may receive a trip credit toward a future flight.
  - Cancellation fees may apply depending on your route and ticket type.

- Award Tickets (Miles Booking):
  - If you used AAdvantage Miles, you can cancel and get your miles redeposited into your account. Some service fees may apply.

💡 Tip: If you're unsure which category your ticket falls into, call the Qatar Airlines support line at 📞 1-833\_845+{30-74} and an agent will clarify your options.
